

DIGITAL CURRICULUM

# Florida Course Lists: 2023-2024

## Elementary School Course List

## Middle School Course List

## High School Course List

### NATIONAL DIGITAL COURSE CATALOGS

Our new digital **elementary**, **middle school**, and **high school** course catalogs include details about each course, including materials required, digital-first options, and more!

Foster a love of learning and set students on the **pathway to lifelong success** with an online curriculum designed to help them realize their potential. Stride Learning Solutions digital courses combine rich content with proven pedagogy to facilitate **dynamic, engaging online** and **blended learning experiences**.

Our course **catalog for grades K–12** allows you to **meet every learner's needs**—from those at risk of dropping out or not graduating on time to those seeking greater academic challenges or enrichment in their learning. Whether your students are looking to launch a career right after graduation or pursue postsecondary studies, our digital curriculum will provide them with more options to **jumpstart their futures today**.

Give us a call at **844.638.3533** to discuss how we can work together to pave the way to a bright future for all learners.

The courses included in this list reflect offerings for the **2023–2024 school year**. All K–12 courses specific to the state of Florida are available on the TotalView platform.

K12 Florida is an **approved Florida VIP provider** through the 2024–2025 school year. Digital courses included in the VIP status are designed to leverage instructional subject matter expertise to reinforce and supplement certain standard alignments. The **Stride Learning Hub** can be utilized to add additional content to courses. Course alignments are available upon request.

# Florida Elementary School Course List
