# Spanish Dual-Language Immersion Program

For Kindergarten and 1<sup>st</sup> Grade  
Starting 2026-2027 School Year

## Program Highlights

- English Language Arts (ELA) and Mathematics core instruction will be conducted using the 50:50 dual language immersion model.
- Each grade level receives ELA and mathematics instruction in English for 50% of the time, with Spanish instruction for the other 50%.
- The program allows students to develop literacy in both English and Spanish simultaneously.
- Science and Social Studies instruction primarily in Spanish
- Culturally rich lessons and Spanish electives reinforce strong literacy foundations
- Early bilingual language development supports cognitive flexibility, cultural awareness, stronger problem-solving skills, and higher long-term academic achievement.
