MIAMI-DADE ONLINE

About Us

Miami-Dade Online Academy (MDO) is an accredited MDCPS magnet school that serves grades K - 12. We offer online, fulltime, and tuition-free education using research-backed and award-winning curriculum. The K12 online platform is designed to engage and empower students. The lessons are interactive, self-paced, and accommodate a wide variety of learning styles. MDO provides a safe learning alternative that supports and uplifts every student, making school a fun and secure place to be. All students participate in Florida required testing and must meet FLDOE graduation requirements to earn an MDCPS high school diploma.
